Position available: Allergist Immunologist

Job Description:

The Division of Allergy and Immunology at Mayo Clinic is seeking a board-certified or board-eligible candidate to join our practice at our Rochester, MN campus. The successful applicant will have demonstrated a strong clinical background in this specialty and show interest in clinical research and education. Patient care is performed in a team-based model within the division and multi-specialty collaboration is a cornerstone of our practice. Specific responsibilities of this position include outpatient clinical duties, limited inpatient consultations, and career development activities in research and education.

Practicing at Mayo Clinic provides a rewarding career that promotes excellence in patient centered care. You can thrive in an environment that supports innovation and has a wealth of resources available to you -- including an integrated EMR and collaboration with top specialties -- to give your patients the quality of care you want to achieve. Visit: www.jobs.mayoclinic.org to apply to posting #96880BR.
