Any plans for multi-level booths must be discussed with Freeman.

Booth floor covering is mandatory and is the responsibility of the exhibiting company. Exhibitors may supply their own carpet/floor covering (must be slip-resistant) or order it from Freeman. Booth Assignment

All requested exhibit booths received by October 17, 2018 will be drawn on an empty floor plan in priority point order. Exhibit Rules and Regulations, continued

If two or more companies want exhibit space adjacent to one another, each organization must indicate so on the exhibit application at the time of submission. Requests submitted prior to October 17 will be considered in the original exhibit hall floorplan assignment. Show Management reserves the right to assign booth locations as is most appropriate for the overall exhibition.

Booth applications will be accepted until February 15, 2019.

Booth/Promotional Activity

Booth/promotional activities, such as demonstrations, live interviews, market research, etc., may not interfere with normal traffic flow nor infringe on neighboring exhibits. Exhibit No-Shows

A company that reserves booth space and fails to inform Show Management in writing of its plans not to attend automatically forfeits 100% of the total cost of the exhibit space assigned; may not be invited to participate in future AAAAI exhibitions; and forfeits all priority points earned over the past five years. Exhibiting companies will be considered a no-show if the booth space is unoccupied by 8:00 pm on Friday, February 22, 2019.

Exhibitor Personnel

Exhibitors must staff their exhibit booth during the scheduled hours of the exhibit hall. Facility Regulations

Exhibitors may not nail, staple, tack or otherwise affix anything to the ceiling, walls, painted surfaces, fire sprinklers, columns or windows.

FDA Regulations

Exhibitors must abide by all applicable Food and Drug Administration (FDA) regulations, including but not limited to any and/or all approval requirements. Exhibitors are reminded that the FDA generally prohibits the advertising or other promotion of investigational or unapproved drugs and devices. The FDA also forbids the commercial promotion of approved drugs or devices for unapproved uses. Unapproved devices may be displayed only if they are the subject of an effective investigational device exemption (IDE) or if they are the subject of a pending 510(k) pre-market notification application. Any investigational product that is displayed or graphically depicted within the exhibit must (a) contain no claims of safety or effectiveness, (b) contain no comparative claims to other marketed products, and (c) be accompanied by a sign clearly and prominently stating that the device is limited by federal law to investigational use and is not approved by the FDA for commercial distribution in the United States.

Exhibitors may not sell, commercialize, or take orders or names with respect to an investigational drug or device, or a device that is the subject of a pending 510(k) application, unless limited to research or investigational use. These restrictions are not intended to limit the full exchange of scientific information regarding an investigational drug or device. If the FDA or a court of competent jurisdiction determines that a company's exhibit at the Annual Meeting is in violation of any FDA regulations, including but not limited to the promotional restrictions and rules described above, the company may be subject to sanctions, including but not limited to exclusion from exhibiting at subsequent AAAAI exhibitions.

Concerns or questions regarding compliance with FDA regulations should be addressed to the FDA as follows:

Private social events proposed in conflict with any official Annual Meeting session or activity will not be allowed. Forms will not be accepted after February 8, 2019.

To reserve function space within the 2019 Annual Meeting hotel block, groups must first fill out a function space form to be approved by Show Management. Following approval, groups may contact the hotels directly to reserve function space, if space was unable to be assigned by Show Management.

Larger Island booths (30' x 30' or larger)	\$55/sq ft

Deposits and Payments

A minimum deposit of 50% of the booth rental fee is due with the completed application. A deposit must be received in order for priority space assignment. Applications received after January 2, 2019 require full payment of the booth rental fee. Space assignment will not be made without the appropriate deposit/payment.

Booths will not be allowed to exhibit if the full payment has not been received by Show Management prior to move-in.

Balance Due

Exhibitors will be invoiced for the balance due after a booth assignment has been made. Full payment is due by January 2, 2019. If full payment is not received by this date, space may be released back into the general inventory. Exhibitors will be required to contact Show Management to make subsequent payments on the balance due; Show Management does not automatically charge subsequent payments for booth space.

If booth space is not paid in full by January 2, the exhibiting company will be prohibited from registering staff for the Annual Meeting or making housing reservations.

Cancellation/Downsizing Policy

Cancellations or requests to downsize booth space must be sent to the Show Management in writing. A refund less \$1,000 per 100 sq ft, will be given if notice is received by January 2, 2019. No refunds will be given after January 2, 2019. Show Management can sell cancelled or downsized booth space to another exhibitor without any refund. Show Management retains the right to relocate an exhibitor after downsizing.

Booth Relocation

If it becomes necessary to relocate an exhibitor after a booth assignment has been made, Show Management will contact the company involved and every effort will be made to reassign the exhibitor to a similar booth space.

Restriction of Exhibits

Show Management reserves the right to restrict or prohibit exhibits that are deemed unacceptable for any reason. This may include people, items, conduct, printed materials, or anything that may be objectionable to the exhibition. If such restriction occurs, AAAAI will not be liable for any refunds, rentals or exhibit expenses. The decision of the AAAAI regarding exhibit applications is final.
