

? Can I make changes to my abstract?

Absolutely no changes can be made to an abstract after the deadline. You can mention changes in your oral or poster presentation, but the printed abstract cannot be changed. If you wish to withdraw your abstract, email cme@aaaai.org

? What if my abstract is accepted but I can't attend?

Another non-industry author may present in your place. The change must be communicated to cme@aaaai.org and if the abstract was accepted for an oral presentation, the new presenter must complete a disclosure.

? When will abstracts be published?

Abstracts will be published in the Journal of Clinical Allergy and Immunology on February 10th, 2025 (embargo date.)

? When do I upload/ present my abstract?

Information about your poster or oral abstract presentation can be found in your [Faculty Corner](#). Virtual posters should be uploaded by **February 17th, 2025**.

? What size should my printed poster be?

Size: 45" high x 94" wide (or smaller) to fit on the poster boards. Poster presenters are **expected to print their own poster** before the meeting.

? How do I upload a virtual poster?

[Optional] Poster presenters can upload a virtual poster through the Faculty Corner. Files should be less than 10MB, PDF format. Accompanying audio should be approximately 5 minutes, MP3 or MP4 format.

? Can I use QR codes?

QR codes are permitted on posters or presentation slides so long as they do not link to industry sites.
