

AAAAl Career Fair:

Advancements in Allergy and Asthma Care, Ltd.

Advancements in Allergy and Asthma Care, Ltd. ("AAAC") is a well-established independent medical practice based in Minnetonka, Minnesota and is seeking a Board Certified or Board Eligible allergist to join our growing team! We currently have three dual-board certified physicians in Allergy/Immunology and Pediatrics, as well as, four experienced mid-level providers. AAAC has provided the highest quality care to patients for over 30 years and has a large physician and community referral base. The high level of care provided has earned AAAC recognition as one of the top 15 medical clinics in Minnesota, and the only independent clinic in the metro area, for patient care coordination as surveyed by Minnesota Community Measurement, a non-profit health care rating organization.

AAAC treats patients of all ages and is recognized as a regional leader in our specialty, receiving referrals from other outside providers for complex allergy-related health conditions. We have responsive administrative and management professionals that collaboratively work with providers to minimize bureaucratic headaches and allow you to focus exclusively on providing excellent care to patients. AAAC embodies a supportive and caring environment with a warm and friendly staff culture for our patients, providers and staff.

We offer:

- Full-time position providing outpatient adult and pediatric care
- Ability to structure your own work schedule
- Competitive compensation with opportunity for growth
- Competitive benefits package that includes medical insurance , life insurance, 401(k), and paid time off
- Malpractice insurance
- CME reimbursement
- Fully implemented EHR with computers in exam rooms and technology resources available during clinic hours
- Limited on-call obligations at home for after hour care
- Clinic is closed on major holidays
- Growing and loyal patient base

Ideal candidates will possess:

- High degree of compassion and empathy toward the care of your patients
- Ability and interest to relocate to the Twin Cities (for out of state candidates)
- Flexibility to potentially oversee a satellite clinic to see patients at one or more office locations throughout the Twin Cities area
- Outstanding interpersonal skills
- Knowledge and confidence to treat a wide range of potential health complexities across patients
- Honesty and integrity
- Genuine interest in continued learning and honing medical skills

Please submit your resume to rrosckes@aaulto.org. If you have questions or would like to discuss the opportunity, feel free to email or call us at 952-543-5606 and mention this job posting.
