Independent contractors are responsible for notifying Show Management and Freeman of the booths they will work in and they must provide proof of insurance with a minimum of $1,000,000 per occurrence comprehensive general liability coverage against claims for bodily injury, including property damage, and an active workers’ compensation insurance policy covering all permanent and temporary labor hired to perform work over the event dates by February 2. The exhibiting company is responsible for reviewing the times listed in the Exhibit Hall Access section and communicating these to any ISCs/EACs that they have hired.

During setup & teardown days/times (not including show days), ISC/ EAC staff will be required to check-in daily at the appropriate entrance and show proof of affiliation (such as employee ID badge) with a previously approved exhibitor-designated contractor in order to receive a wristband that will provide access to the exhibit hall. On show days, EAC staff must be registered as exhibit booth personnel to gain access to the exhibit floor. If they do not have appropriate 2018 Joint Congress registration badges, they will be directed to the registration desk to register as an exhibitor and collect the appropriate badge.

Booth Construction

Standard booths are 10 ft x 10 ft or multiples thereof and are arranged in a straight line. All standard booths consist of 8 ft backwall drape and 3 ft sidewall drape. Exhibit fixtures, components and signs will be permitted to a maximum height of 8 ft and they may extend only 5 ft from the backwall. Any fixtures placed within the remaining 5 ft must not exceed 4 ft high. Peninsula booths and bridging are not permitted.

Island booths consist of four or more standard booths back-to-back with aisles on all four sides. Exhibit fixtures, components and banners will be permitted to a maximum height of 24 ft. Sufficient see-through areas must be provided to prevent blocking views of adjacent booths (i.e., there must be access from all four sides of the booth with a minimum of 30% see-through effect from all four sides).

All booths 30 ft x 30 ft or larger must submit a floorplan and elevation drawing, indicating placement and dimensions of all structures, for Show Management review by January 19, 2018. Approvals or revisions will be communicated within 10 business days. AAAAI and WAO are not responsible for any additional labor, production or material costs for modifications necessary to an exhibit booth to be compliant with these guidelines.

Any plans for multi-level booths must be discussed with Freeman.

Booth floor covering is mandatory and is the responsibility of the exhibiting company. Exhibitors may supply their own carpet/floor covering (must be slip-resistant) or order it from Freeman. All exhibit booths without floor covering, or which is objectionable to Show Management shall, at Show Management’s sole discretion, be carpeted and/or corrected at the exhibitor’s expense.

Any exposed, unfinished sides of an exhibit booth must be draped to present an attractive appearance.

Registration

All exhibitor personnel, including any EAC staff that require access to the exhibit hall on show days, must be registered exhibit staff of the 2018 Joint Congress in order to receive registration badges.

Exhibitors who have not paid their exhibiting fees in full will not be able to pick-up registration badges on-site until full payment has been received.

Unlimited exhibitor badges are provided at no charge. An exhibitor badge allows admission to the exhibit hall only.

One complimentary exhibitor/delegate badge is provided per 100 sq ft of exhibit space rented (maximum 15). An exhibitor/delegate badge allows admission to the exhibit hall and all non-ticketed educational sessions. Additional exhibitor/delegate badges can be purchased.

Exhibitor personnel interested in attending ticketed sessions must register as a paid delegate.

Guest passes for exhibitor personnel will not be issued.

Exhibit Rules and Regulations

ACCME Guidelines

No commercial promotional materials shall be displayed or distributed in the same room immediately before, during or after an educational activity certified for credit takes place.

Representatives of commercial companies may attend an educational activity, but they may not engage in sales activities while in the room where the educational activity takes place.

Americans with Disabilities Act

Each exhibitor is responsible for compliance with the Americans with Disabilities Act (ADA) within its booth space.

Attire

Attire of all exhibit personnel should be consistent with the professional atmosphere of the Joint Congress.

Audio/Visual Equipment

If closed sound systems cannot be arranged, open sound systems will be permitted. However, sound “leakage” must not interfere with other exhibitors. Show Management reserves the right to request the reduction in volume or cessation of use of any system that creates such interference. Audio/visual equipment order forms will be included in the Exhibitor Service Manual.

Balloons

Balloons are not permitted at the 2018 Joint Congress.

Booth Assignment

All requested exhibit booths received by October 18 will be drawn on an empty floor plan in priority point order. In the event that multiple companies have accrued an equal number of priority points, the exhibit application received first will be given preference. Show Management will attempt to meet the size and location needs of each company, but reserves the right to assign space that is most appropriate for the overall exhibition. Applications received after October 18 will be assigned booth space on a first-come, first-served basis. Notification of booth assignments will be sent out in late November. Complimentary exhibitors will receive notification of their booth assignment following paying exhibitors.
Exhibit Rules and Regulations, continued
If two or more companies want exhibit space adjacent to one another, each organization must indicate so on the exhibit application at the time of submission. Requests submitted prior to October 18 will be considered in the original exhibit hall floorplan assignment. Show Management will try to accommodate all such requests; however, unaffiliated exhibitors will not be moved to new booths to accommodate late requests. Show Management reserves the right to assign booth locations as is most appropriate for the overall exhibition. Booth applications will be accepted until February 20, 2018.

Booth/Promotional Activity
Booth/promotional activities, such as demonstrations, live interviews, market research, etc., may not interfere with normal traffic flow nor infringe on neighboring exhibits. Booth/promotional activities will not be permitted outside of the exhibitor’s assigned booth space. Exhibitors should reserve a reasonable portion of their exhibit space for the crowds or lines that popular activities may attract. “Meet the Expert” panels and product theaters are not allowed in the exhibit hall.

Continuing Medical Education (CME) Activities
All activities offering CME credit occurring at or in conjunction with the Joint Congress must be provided directly or jointly by the AAAAI and WAO, and planned and executed in accordance with the ACCME’s guidelines for accredited CME activities, including the Standards for Commercial Support. Therefore:

- Exhibitors defined as commercial interests by the ACCME are prohibited from offering or distributing CME activities or access to CME activities.
- Exhibitors not defined as commercial interests by the ACCME may offer or distribute CME activities or access to CME activities, provided those activities are listed on the exhibit application and approved by Show Management.

Disclosure
It is the policy of Show Management that any exhibitor whose booth space, exhibit display or exhibit materials are provided through an educational grant from another organization prominently disclose that information to all delegates visiting or viewing that booth.

Distribution of Advertising Material
Canvassing or distribution of advertising material by an exhibitor or anyone representing a non-exhibiting firm is strictly prohibited outside of the exhibitor’s booth space or in any part of the exhibit hall, meeting rooms, press rooms or public areas of the convention center or headquarter hotel.

Drawings/Prizes/Raffles, Etc.
Prize contests, awards, drawings, raffles or lotteries of any kind held at any time or place within the 2018 Joint Congress properties are not permitted. Attendees may not be registered for drawings, raffles or lotteries, which might be conducted after the Joint Congress. Gaming devices of any kind are not allowed in the exhibit hall.

Electrical Regulations
All equipment must comply with federal, state and local electrical codes. All exhibitor equipment must be UL-approved. Exhibitors should contact Freeman with any special requirements.

Exhibit Directory

Company name, city, state and product/service description will also be listed in the mobile app. Any changes to information must be submitted by Wednesday, January 3, 2018 at 5:00 pm CST.

Exhibit No-Shows
A company that reserves booth space and fails to inform Show Management in writing of its plans not to attend automatically forfeits 100% of the total cost of the exhibit space assigned; may not be invited to participate in future AAAAI/WAO exhibitions; and forfeits all priority points earned over the past five years. Exhibiting companies will be considered a no-show if the booth space is unoccupied by 10:00 pm on Friday, March 2, 2018.

Exhibitor Personnel
Exhibitors must staff their exhibit booth during the scheduled hours of the exhibit hall. Exhibit personnel, as well as registered EAC staff, will be allowed in the exhibit hall at 7:45 am on Saturday, March 3 and 8:45 am on Sunday and Monday, March 4 & 5. Exhibitors and registered EAC staff may remain in the exhibit hall up to one hour after the exhibits close each day.

Exhibitors vacating their booth before the closing of the show any day or prior to the final close of the show may incur a loss of priority points and/or be denied exhibit space at future AAAAI or WAO exhibitions.

No exhibitors, including vendors/contractors, may solicit attendees or other exhibitors from outside of their booth or elsewhere at the Joint Congress. Exhibit personnel may not enter another exhibitor’s booth space without obtaining permission. At no time, may anyone enter an unstaffed booth of another exhibitor.
Exhibitor Rules and Regulations, continued

Facility Regulations
Exhibitors may not nail, staple, tack or otherwise affix anything to the ceiling, walls, painted services, fire sprinklers, columns or windows.

FDA Regulations
Exhibitors must abide by all applicable Food and Drug Administration (FDA) regulations, including but not limited to any and/or all approval requirements. Exhibitors are reminded that the FDA generally prohibits the advertising or other promotion of investigational or unapproved drugs and devices. The FDA also forbids the commercial promotion of approved drugs or devices for unapproved uses. Unapproved devices may be displayed only if they are the subject of an effective investigational device exemption (IDE) or if they are the subject of a pending 510(k) pre-market notification application. Any investigational product that is displayed or graphically depicted within the exhibit must (a) contain no claims of safety or effectiveness, (b) contain no comparative claims to other marketed products, and (c) be accompanied by a sign clearly and prominently stating that the device is limited by federal law to investigational use and is not approved by the FDA for commercial distribution in the United States.

Exhibitors may not sell, commercialize, or take orders or names with respect to an investigational drug or device, or a device that is the subject of a pending 510(k) application, unless limited to research or investigational use. These restrictions are not intended to limit the full exchange of scientific information regarding an investigational drug or device. If the FDA or a court of competent jurisdiction determines that a company’s exhibit at the Joint Congress is in violation of any FDA regulations, including but not limited to the promotional restrictions and rules described above, the company may be subject to sanctions, including but not limited to exclusion from exhibiting at subsequent AAAAI or WAO exhibitions.

Concerns or questions regarding compliance with FDA regulations should be addressed to the FDA as follows:

Function Space Requests
AAAII and WAO may be willing to approve and release meeting space for use by exhibiting companies, universities and/or non-profit organizations that have members, personnel or other affiliated individuals attending the 2018 Joint Congress. Appropriate functions may include: advisory board meetings, committee meetings, focus groups, staff meetings or social events. Private social events proposed in conflict with any official Joint Congress session or activity will not be allowed. Forms will not be accepted after February 9, 2018.

To reserve function space within the 2018 Joint Congress hotel block, groups must first fill out a function space form to be approved by Show Management. Following approval, groups may contact the hotels directly to reserve function space, if space was unable to be assigned by Show Management.

Any requests for function space from an exhibitor who subsequently cancels their exhibit booth will be forfeited.

Exhibitors defined as commercial interests by the ACCME can host private social events. Companies interested in hosting an invite-only event, for a limited number of Joint Congress delegates, should complete the function space request form. Companies interested in hosting a social event that is open to all Joint Congress delegates should contact the AAAAI Executive Office for more information on the sponsorship fees associated with this type of event. Exhibitors not defined as commercial interests by the ACCME may host private social events, either invite only or open to all Joint Congress delegates, by completing the function space request form.

Events held off-site (not at the headquarter hotel or the Orange County Convention Center) are considered unapproved and as such, the sponsoring company/exhibitor may be denied exhibit booth space at future AAAAI or WAO events.
Exhibit Rules and Regulations, continued

By approving your application, the AAAAI and WAO do not endorse or sanction your function, and no such relationship should be inferred by you or implied to the participants.

Please note that Show Management cannot be responsible for bad addresses.

Market Research
Companies that perform market research will only be assigned exhibit booth space if research is being conducted for an approved Joint Congress exhibitor and if space is available. A list of exhibitors for which market research is being conducted for must be submitted in writing to Show Management prior to applying for booth space.

Marketing Free Zones
Show Management has created a marketing free zone around the immediate vicinity of the convention center and the headquarter hotel. Exhibitors are prohibited from all street marketing activities in this area which include: segways, street teams, decals or literature distribution. Show Management also restricts exhibitors from conducting these marketing activities on the property of official hotels. A map of the marketing free zone may be found in the Exhibitor Service Manual.

Music Licensing
Each exhibitor using music in conjunction with its exhibit is responsible for maintaining compliance with the appropriate music licensing organizations.

Penalties
As a condition for exhibiting, each exhibitor agrees to observe all rules and regulations. Violators will forfeit priority points for each rule or regulation violated.

First violation: The exhibitor will not accrue priority points for its participation for the year.

Second violation: The exhibitor will lose half of its accrued priority points.

Press releases or media alerts directly related to abstracts that use the American Academy of Allergy, Asthma & Immunology (AAAAI) name, World Allergy Organization (WAO) name, or the name of the 2018 Joint Congress, must be reviewed and approved a minimum of two weeks in advance by Show Management. The release or alert must be embargoed until the time of presentation or Show Management press conference presenting the study, whichever comes first. Non-AAAAI/WAO news briefings or other media events are prohibited in meeting areas, including hotels, during the Joint Congress.

Priority Points
Priority booth assignment is based on the total number of priority points accrued: companies receive 2 points for every 100 sq ft of space rented in 2017, 2016, 2015, 2014 and 2013; 10 bonus points are given to companies for exhibiting at all of the last five AAAAI Annual Meetings regardless of the amount of space rented each year; companies are given 1 point for every $10,000 in sponsorships paid to the AAAAI between September 1, 2016 and July 31, 2017; companies are given 1 point for every $10,000 in donations made to the AAAAI Foundation between the same dates. Exhibit applications must be received by October 18 in order to be considered for priority booth assignment. Non-profit companies receiving complimentary booth space do not accrue priority points.

Security
Show Management will provide 24-hour security in the exhibit hall. Neither the security company, AAAAI, WAO, Freeman nor the Convention Center is responsible for any loss or damage to exhibitor property.

Exhibit Application

To reserve exhibit space, complete the online application and contract for exhibit space along with the 50% deposit. Applications must be received by October 18 in order to be considered for priority assignment of exhibit space. Exhibit space is assigned based on past and current support of AAAAI activities, as well as the date the application is received. Following initial space assignments, all additional booths will be assigned on a first-come, first-served basis.

Application Review

Show Management will review all exhibit applications to determine whether they satisfy basic criteria such as: whether the product/services described specifically relate to the practice or advancement of allergy, asthma or immunology; whether the exhibit is of informational value to allergist/immunologists; whether the product/services, in the opinion of Show Management, are safe and effective. Even when an application meets the basic criteria above, Show Management reserves the right to deny any request to exhibit.

Educational/Non-Profit Organizations

Organizations may apply for complimentary exhibit space, if they meet the following criteria: they are a non-profit organization as defined by maintaining 501(c) tax status; are national in scope; their overall mission is educational in nature; and their mission would appeal to the AAAAI/WAO membership and further the AAAAI/WAO strategic goals. Applications for complimentary space must include a copy of the IRS letter of determination verifying their 501(c) tax status, and should include any documentation that demonstrates compliance with the criteria listed above. Even when an application meets the basic criteria above, Show Management reserves the right to deny any request for complimentary exhibit space. Email Show Management at annualmeeting@aaai.org for complete instructions on submitting an application for complimentary exhibit space.

Product/Service Descriptions

Product or service descriptions are a required part of the application process. This description will appear with the company name, city and state in the Final Program and the mobile app. All descriptions should be in sentence form, typed and no longer than 50 words. Descriptions longer than this will be edited for length. Descriptions for the Final Program will be accepted until January 3.

A minimum deposit of 50% of the booth rental fee is due with the completed application. A deposit must be received in order for priority space assignment. Applications received after January 3, 2018 require full payment of the booth rental fee. Space assignment will not be made without the appropriate deposit/payment.

Booths will not be allowed to exhibit if the full payment has not been received by Show Management prior to move-in.

Balance Due

Exhibitors will be invoiced for the balance due after a booth assignment has been made. Full payment is due by January 3, 2018. If full payment is not received by this date, space may be released back into the general inventory. Exhibitors will be required to contact Show Management to make subsequent payments on the balance due; Show Management does not automatically charge subsequent payments for booth space.

If booth space is not paid in full by January 3, the exhibiting company will be prohibited from registering staff for the Joint Congress or making housing reservations.

Cancellation/Downsizing Policy

Cancellations or requests to downsize booth space must be sent to the Show Management in writing. A refund less $1,000 per 100 sq ft, will be given if notice is received by January 3, 2018. No refunds will be given after January 3, 2018. Show Management can sell cancelled or downsized booth space to another exhibitor without any refund. Show Management retains the right to relocate an exhibitor after downsizing.

Booth Relocation

If it becomes necessary to relocate an exhibitor after a booth assignment has been made, Show Management will contact the company involved and every effort will be made to reassign the exhibitor to a similar booth space.

Restriction of Exhibits

Show Management reserves the right to restrict or prohibit exhibits that are deemed unacceptable for any reason. This may include people, items, conduct, printed materials, or anything that may be objectionable to the exhibition. If such restriction occurs, AAAAI/WAO will not be liable for any refunds, rentals or exhibit expenses. The decision of the AAAAI/WAO regarding exhibit applications is final.
