Freedom Allergy  
115 Genevieve Court  
Peachtree City, GA 30269

Contact: Ruchir Agrawal, MD  
(262) 327-0704  
[freedomallergy@gmail.com](mailto:freedomallergy@gmail.com)

Position available: Allergist

## Job Description:

Excellent opportunity for part-time or full time Allergist for highly respected and rapidly expanding private allergy practice with a main office located in Peachtree City and a satellite office in Marietta.

Our office focuses on exceptional patient care for the whole family and specializes in a broad spectrum of allergic and immune diseases including food challenges and oral immunotherapy. Planning to offer in-house sublingual immunotherapy for environmental and foods.

The ideal candidate should have an interest in severe food allergies and passion for making a difference in our patient's lives. Our clinic is fast-paced and communication is key in working with our team and patients.

Competitive pay. Medical and Dental Insurance available. 3 weeks vacation/1 week paid CME. Start date July 2019 (flexible). Will sponsor H1b visa.

About Peachtree City (reference Peachtree City, GA official website):

Located 25 minutes from Atlanta Hartsfield-Jackson Airport, Peachtree City boasts eight hotels, more than 100 restaurants and multiple recreation and entertainment activities.

What's even better is the bulk of these amenities are accessible via our city's most prominent feature- a golf cart! Attendees can rent golf carts and coast at a relaxing 15 miles per hour while enjoying more than 100 miles of paved multi-use paths that wind through the city to popular dining, shopping and entertainment spots.

The paths are just one part of the one-of-a-kind offerings available.

Created in the 1950s, Peachtree City is a master-planned community which means in addition to our strategically planned paths, we have ample greenspace, tree-lined roadways, three sparkling lakes, scenic views and a superb setting for relaxing.

**But don't take our word for it. Expedia.com recently named us as the Number One City that Must Be Seen in 2019!**
