3101 Atopic Dermatitis - New Insights from Bench to Bedside to Populations
Sunday, February 26, 2023
Convention Center, Lobby Level, Hall 2 8:15 am – 9:45 am
Lecturer: Mark Boguniewicz, MD FAAAAI
Advances in Treatments for Atopic Dermatitis

The AAAAI Foundation and Donald Y. M. Leung, MD PhD FAAAAI-JACI
Lectureship: Investing Together in Our Future will be presented by Mark
Boguniewicz, MD FAAAAI on February 26th during 3101 Atopic Dermatitis - New
Insights from Bench to Bedside to Populations in Convention Center, Lobby
Level, Hall 2 8:15 am – 9:45 am (presentation at 8:50 am)

Donald Y. M. Leung, MD PhD FAAAAI

Dr. Donald Y. M. Leung, is the Editor-in-Chief of the *Journal of Allergy and Clinical Immunology* (JACI) and has served for the past 15 years. Under his leadership, the impact factor of our journal has risen from 3.7 to over 11.0, reflecting a marked improvement in publications of research dedicated to the diagnosis and treatment of allergic and immunologic diseases. JACI is the most highly cited Journal in the field of Allergy, Asthma and Clinical Immunology and is the most visible official publication of The American Academy of Allergy, Asthma and Immunology (AAAAI). Dr. Leung stepped down from his Editor-in-chief position in spring of 2015. As one of his initiatives to support and enhance research in our specialty and maintain JACI's high impact factor, he proposes to establish a new 4 million dollar research fund.

The Donald Y. M. Leung, MD, PhD, FAAAAI-JACI Lectureship commemorates the initiation of this effort and the opportunity to advance the knowledge and/or treatment of allergy, asthma and immunology by providing a source of funding for future research. The vision is to support quality, cutting-edge translational and basic research suitable for publication in JACI and further advance patient care and the credibility of allergy/immunology.

Mark Boguniewicz, MD FAAAAI

Mark Boguniewicz, MD is Tenured Professor in the Division of Allergy-Immunology, Department of Pediatrics, at National Jewish Health and University of Colorado School of Medicine. He completed his residency in pediatrics at Children's Hospital of Michigan and fellowship in allergy-immunology and rheumatology at Children's Hospital and Harvard Medical School in Boston. He is board certified in pediatrics and allergyimmunology.

Dr. Boguniewicz is a Fellow of the American Academy of Allergy, Asthma, and Immunology (AAAAI), past Chair of the Dermatologic and Ocular Diseases Interest Section and past Chair of the Eczema Committee. He is also a Fellow of the American College of Allergy, Asthma, and Immunology (ACAAI). He has served on the editorial board of *Journal of Allergy and Clinical Immunology: In Practice* and on the Joint Taskforce on Topical Calcineurin Inhibitors of the AAAAI and ACAAI and was co-chair of the treatment section of the European Academy of Allergology and Clinical Immunology/AAAAI/PRACTALL Consensus Group for atopic dermatitis. He has served on the Joint Task Force of the AAAAI/ACAAI for the 2004 and 2012 Practice Parameter for Atopic Dermatitis and 2022 update. He co-chaired the Expert Panel on Management of Moderate-to-Severe Atopic Dermatitis and chaired the Atopic Dermatitis Yardstick project and update.

Dr. Boguniewicz's research focuses on immunopathogenesis and new treatments for atopic dermatitis. He is an investigator of the NIH Atopic Dermatitis Research Network. He has lectured at many national and international meetings and has over 400 peer reviewed articles, reviews, chapters and abstracts published. He is the recipient of the 1998-1999, 2010-2011, 2011-2012, 2012-2013, 2015-2017, 2017-2019, 2018-2020 Pediatric Allergy-Immunology Fellows Outstanding Teacher Award, the 2002 Faculty Clinician of the Year Award, the 2006 AAAAI's Richard S. Farr Memorial Lectureship, the 2020 AAAAI's Bruton Lecture and has been selected for *Best Doctors in America* 2003-2020, as well as *America's Top Doctors*. He is also the recipient of the 2013 AAAAI Distinguished Clinician Award.
