The AAAAI Foundation and Richard F. Lockey, MD MS FAAAAI & USF A/I Program Lectureship will be presented by Tissa R. Hata, MD in session 2521 National Institute of Allergy and Infectious Diseases (NIAID): New Insights Into the Immunoregulation of Atopic Dermatitis in Convention Center, North Building, 100 Level, Room 120A on Saturday, February 26 at 1:15 pm

Richard F. Lockey, MD MS FAAAAI

The AAAAI Foundation is honored to announce the Richard F. Lockey, MD MS FAAAAI & University of South Florida A/I Program Lectureship and Faculty Development Award. In his 50+ year career, Dr. Lockey has left an indelible mark on the specialty through his own practice, his leading research and his mentorship of the next generation of physicians and investigators.

Dr. Lockey’s most profound area of impact has been as Director of the world-renowned Division of Allergy and Immunology at the University of South Florida College of Medicine and the James A. Haley Veterans Administration Hospital. The 50-member A/I Division is dedicated to teaching and research which is focused on long-term treatments and cures for allergic and immunologic diseases and asthma, and collaborates in teaching, research and clinical care with the Division of Allergy and Immunology, Department of Pediatrics at the University of South Florida College of Medicine, and Johns Hopkins All Children’s Hospital.

Dr. Lockey has helped train over 100 physician specialists and approximately 55 national and international postgraduate PhDs and MDs in basic and clinical research and medicine, many of whom have assumed leadership positions in medicine throughout the world. He is also a gifted clinician who continues to see patients, and approaches research, training and patient care as intertwined components of the same discipline. He has authored, co-authored, or edited over 750 scientific and review articles and book chapters, 17 books, and 20 monographs.

Dr. Lockey has also served at the highest levels of leadership in the leading organizations within the A/I specialty, including: President, American Academy of Allergy, Asthma & Immunology; Director, American Board of Allergy and Immunology; President, World Allergy Organization, and Vice President of Medical Affairs, Asthma and Allergy Foundation of America. He received the Boy Scouts of America
Distinguished Eagle Scout Award in 2018. Dr. Lockey continues to enjoy teaching, treating patients, and doing research.

Dr. Lockey is a man of dedication, vision and commitment to the advancement of the Allergy/ Immunology specialty and the advancement of research at the heart of the AAAAI Foundation’s mission.

**Tissa R. Hata, MD**

Dr. Hata is currently a UCSD Professor of Dermatology and the Director of the UCSD Dermatology Clinical and Translational Trials Unit. She has been involved with the NIH Atopic Dermatitis Vaccinia Network since its inception, and more recently the Atopic Dermatitis Research Network consortium. Her research is focused in the areas of the innate immune system and the microbiome in atopic dermatitis, acne, psoriasis and rosacea. In her spare time she enjoys hiking and visiting National Parks.
