Position available: Allergist/Immunologist Annapolis/Eastern Shore

Job Description:

Well established, private allergy practice is seeking a highly qualified BC/BE Allergist/Immunologist who is committed to excellence in patient care to join our thriving practice. The physician will see patients at our office in the Annapolis/Eastern Shore area. We have a large and growing pediatric and adult practice with varied patient populations and a broad spectrum of allergic and immune diseases. Our office is warm, friendly and caring. Hours are Monday through Friday, no weekends, and rotating on-call coverage only three days per month. We provide a generous salary and comprehensive benefits package, including 401K. This is an excellent opportunity for a hardworking, highly motivated individual who is personable and builds friendships and relationships with patients and referring physicians.

The Maryland State Capital is truly a gem. It is rated as one of the best places in the nation for young professionals to live and offers the most diverse community in the state. Annapolis has a rich history. It has served as our nation’s capital and is the current home to the United States Naval Academy. Annapolis is also a renowned sailing destination and the Chesapeake Bay offers tons of activities for outdoor enthusiasts. You will be 45 minutes from the current nation’s capital, Washington, DC and 20 minutes from Historic Baltimore. Annapolis also has some of best dining and cultural events the state has to offer. If you are a board-certified or eligible allergist and are interested in this opportunity, please e-mail your curriculum vitae to Jay at jgelatka@premierallergist.com for consideration.
