Position available: Physician

Job Description:
Preeminent 3-physician Allergy practice in urban and suburban North Atlanta is seeking a full-time motivated, BC/BE Allergist to replace a highly-compensated retiring Doctor. Our practice has 4 locations which will allow you to live in an upscale northern suburb with excellent public schools. We see both adult and pediatric patients in a very warm, collegial atmosphere. You would travel to all locations. The staff is well trained with multiple staff members being in the practice more than fifteen years. We have light call rotated by all physicians and limited to phone call and triage.

Candidates will need a Georgia medical license and DEA.

Compensation package includes:
- Competitive salary with productivity bonus available. Candidates will have high income potential
- 2-3 year partnership tract
- Paid CME allowance
- Paid malpractice insurance
- Retirement 401k plan with matching program
- Health, dental and vision insurance
- Paid cell phone

Atlanta is one of the fastest growing big cities in the nation. The area has affordable housing, professional sports, great schools as well as multiple cultural/recreational activities.
