- The message should be clear and understandable without oral explanation.
- Illustrations, labels, etc. must be attached to the poster board with thumbtacks, which will be available in the poster area.
- A label indicating the abstract number, abstract title, author and the affiliation should be placed at the top of the poster board, to the right of the abstract if you choose to attach a copy of the abstract.
- A label listing the funding source(s) must be displayed in the lower right-hand corner of the poster board.
