1800 Concord Pike
Wilmington, DE 19803
(800) 236-9933
<https://www.astrazeneca-us.com/>

Pharmaceuticals

AstraZeneca is a global, science-led biopharmaceutical company, driven by our innovative science and patient focus. AstraZeneca is continuing to better understand important role of eosinophils as key effector cells in a range of potentially devastating inflammatory diseases. AstraZeneca invites attendees to visit explore-eid.com to learn more.

AstraZeneca

1800 Concord Pike
Wilmington, DE 19803
(800) 236-9933
<https://www.astrazeneca-us.com/>

Pharmaceuticals

AstraZeneca is a global, science-led biopharmaceutical company, driven by our innovative science and entrepreneurial culture. Patients are at the core of everything we do. AstraZeneca invites AAAAI attendees to visit www.FASENRAHCP.com to learn more.

BioCryst Pharmaceuticals, Inc.

4505 Emperor Boulevard
Suite 200
Durham, NC 27703
(919) 226-5852
<https://www.biocryst.com/>

Pharmaceuticals

BioCryst is a commercial-stage biotech company committed to discovering novel, oral, small-molecule medicines that treat rare diseases in which significant unmet medical needs exist. We're passionate about developing and advancing novel medicines with a focus on oral therapies to help patients take part in the everyday activities they enjoy.

Blueprint Medicines

45 Sidney Street
Cambridge, MA 02139
(617) 374-7580
<http://www.blueprintmedicines.com>

Pharmaceuticals

Blueprint Medicines is a global precision therapy company that aims to invent life-changing therapies for people with cancer and hematologic disorders. We are delivering approved medicines to patients in the United States and Europe, and we are globally advancing multiple programs for genomically defined cancers, systemic mastocytosis, and cancer immunotherapy.

Bristol Myers Squibb

3401 Princeton Pike
Lawrence Township, NJ 08648
(800) 332-2056
<http://www.bms.com>

Pharmaceuticals

Bristol Myers Squibb is a leading global biopharma company focused on discovering, developing and delivering innovative medicines for patients with serious diseases in areas including oncology, hematology, immunology, cardiovascular and neuroscience. Our employees work every day to transform patients' lives through science.

Clinical Immunology Society

555 East Wells Street
Suite 1100
Milwaukee, WI 53202
(414) 224-8095
<https://clinimmsoc.org/CIS.htm>

Physician Education

The Clinical Immunology Society (CIS) is devoted to fostering developments in the science and practice of clinical immunology. CIS is an international professional organization with more than 800 members. Our mission is to facilitate education, research and novel approaches to therapy to promote excellent care for patients with immunologic/inflammatory disorders.

CSL Behring

1020 First Avenue
King of Prussia, PA 19406-0901
(610) 878-4000
<https://www.cslobehring.com/>

Pharmaceuticals

CSL Behring is a global biotherapeutics leader driven by our promise to save lives. We meet patients' needs using the latest technologies to develop and deliver innovative biotherapies that are used to treat serious and rare conditions such as coagulation disorders, primary immune deficiencies, hereditary angioedema and respiratory disease.

CuraScript SD

255 Technology Park
Lake Mary, FL 32746
(877) 599-7748
<https://curascriptsd.com/>

Pharmaceuticals

CuraScript SD provides integrated delivery solutions for the safe and efficient distribution of specialty pharmaceuticals and associated medical supplies. We've been caring for those who care for more than a quarter of a century by supplying biologics, branded drugs, generics, vaccines, infused medications and ancillary supportive care products to a wide range of medical providers.

DBV Technologies

25 Deforest Avenue
Suite 203
Summit, NJ 07901
(908) 679-5200
<http://www.dbv-technologies.com>

Immunotherapy

DBV Technologies is a global clinical-stage biopharmaceutical company working to develop innovative treatments for food allergies.

Edge Pharma Allergy

856 Hercules Dr
Colchester, VT 05446
(802) 497-0161
<https://edgepharma.com/>

Pharmaceuticals

For many allergy immunotherapy health care providers, the ease and convenience of outsourcing named patient treatment sets is preferable. Others compound preparations in-house. Either way, Edge is your allergy immunotherapy partner. We help your business thrive with great products, prompt and knowledgeable customer service, and support for USP 797 compliance.

Elsevier

1600 John F. Kennedy Boulevard
Suite 1600
Philadelphia, PA 19103
(215) 239-3900
<https://www.elsevier.com>

Publications

Elsevier is the publisher of the American Academy of Allergy, Asthma and Immunology's own journals: *The Journal of Allergy and Clinical Immunology* and *The Journal of Allergy and Clinical Immunology: In Practice* as well as other allergy and immunology journals and books.

EMED Technologies Corporation

1262 Hawks Flight Court
Suite 200
El Dorado Hills, CA 95762
(916) 932-0071
<https://www.emedtc.com>

Equipment/Supplies

EMED designs, develops & markets infusion therapy medical devices worldwide. EMED offers the SCIg60™ mechanical syringe pump, a full line of patented Soft-Glide® Needle Sets, Infuset™ fixed-rate control sets, VersaRate® & VersaRate® Plus, patented variable rate control sets & AccuFlow™ controllers. Learn more about our innovative technologies, visit www.emedtc.com.

Eurofins Viracor

1001 Northwest Technology Drive
Lee's Summit, MO 64086
(816) 500-2390
<https://www.viracor-eurofins.com>

Diagnostic Testing

With over 30 years of specialized expertise in infectious disease, immunology and allergy testing for immunocompromised and critical patients, Eurofins Viracor is committed to helping medical professionals, transplant teams, reference labs and biopharmaceutical companies get results faster, when it matters most.

European Academy of Allergy and Clinical Immunology

Hagenholzstrasse 111
Zürich, 8050
Switzerland

Five Moore Drive
Research Triangle Park, NC 27709
(888) 825-5249
<https://www.gsk.com>

Pharmaceuticals

GSK is a science-led global healthcare company with a mission to help people do more, feel better, live longer. We research, manufacture and make available a broad range of medicines, vaccines and consumer healthcare products. Visit our exhibit for information about our products and resources.

Helen of Troy

1 Helen of Troy Plaza
Suite 300
El Paso, TX 79912
(508) 490-7322
<https://www.honeywellpluggedin.com/>

Equipment/Supplies

Offering affordable, reliable, high quality HEPA filtration products for over 25 years, Honeywell Air Purifiers are frequently recommended by Allergists as part of a patient's overall treatment plan.

HollisterStier Allergy

3525 North Regal Street
Spokane, WA 99207
(509) 964-1998
<https://www.hsallergy.com/>

Allergenic Extracts

The sole provider of venom extracts in the U.S., HollisterStier Allergy manufactures a complete line of immunotherapy supplies: allergenic extracts, positive and negative controls, diagnostic devices, and sterile empty vials.

Horizon Therapeutics

1 Horizon Way
Deerfield, IL 60015
(224) 383-3000
<https://www.horizontherapeutics.com/>

Pharmaceuticals

Horizon is focused on researching, developing and commercializing medicines that address critical needs for people impacted by rare and rheumatic diseases. Our pipeline is purposeful: we apply scientific expertise and courage to bring clinically meaningful therapies to patients. We believe science and compassion must work together to transform lives.

Immune Deficiency Foundation

110 West Road
Suite 300
Towson, MD 21204
(410) 321-6647
<https://primaryimmune.org>

Patient/Public Education

The Immune Deficiency Foundation improves the diagnosis, treatment, and quality of life of people affected by primary immunodeficiency through fostering a community empowered by advocacy, education, and research.

Immune Epitope Database and Analysis Resource

9420 Athena Circle
La Jolla, CA 92037
(858) 752-6959
<http://www.iedb.org>

Patient/Public Education

The IEDB is a free, NIAID-funded resource to advance immunology research. The database allows easy searching of all published experimental data characterizing antibody and T cell epitopes studied in humans, non-human primates, and other animal species. The IEDB also hosts tools that assist in the prediction and analysis of B cell and T cell epitopes.

Incyte Corporation

1801 Augustine Cut-off
Wilmington, DE 19803
(609) 284-5653
<https://www.incytemi.com/>

Pharmaceuticals

International Eosinophil Society, Inc.

555 East Wells Street
Suite 1100
Milwaukee, WI 53202
(414) 276-6445
<http://www.eosinophil-society.org/>

Clinical Research Organizations

The International Eosinophil Society, Inc. (IES, Inc.) has been established to bring together scientists around the world who are engaged in research in the field of Eosinophil Biology and Eosinophil Disorders with a view to facilitating the exchange of ideas and information about this fascinating inflammatory cell type and its role in diseases.

International FPIES Association (I-FPIES)

330 River Avenue
Point Pleasant Beach, NJ 08742
(908) 910-4419
