Complimentary exhibitors will receive notification of their booth assignment following paying exhibitors.

Guidelines For Support

Your participation as an exhibitor at the 2012 AAAAI Annual Meeting will make a valuable contribution to the total learning experience of the meeting. Supporting an event or educational activity not only offers a more rewarding experience for attendees, it increases your company’s visibility. Support is not limited to these suggestions; the AAAAI encourages new and creative ideas that contribute to the quality of the meeting.

RIGHT OF FIRST REFUSAL
The AAAAI adheres to a right of first refusal process for organizations who have supported particular programs or activities the previous year. This means that the previous year’s supporter is given the option of confirming support of the same program or activity at the next year’s meeting before sponsorship of that function can be offered to another organization. Because some activities cannot happen without support, it is necessary to confirm funding at the earliest possible date in order to stay ahead of planning schedules. Previous sponsors, therefore, have until October 31, 2011, to confirm their interest in supporting the same programs for the 2012 Annual Meeting.

POLICY ON SATELLITE PROGRAMS
The policies outlined in this prospectus represent the only acceptable methods for the provision of educational sessions at the Annual Meeting. Satellite sessions, or those planned without the input or invitation of the AAAAI, are not permitted before, during or after the Annual Meeting.

WORKING WITH THIRD PARTY VENDORS
A corporate partner may wish to designate an advertising firm, communications company, or other third party vendor to act on its behalf in coordinating aspects of their support of an AAAAI program or activity. In all cases, the AAAAI prefers working directly with the corporate partner, but will work with a third party vendor once support is confirmed in writing and a three-party letter of agreement is signed by all parties involved. To initiate this process, the corporate partner should submit a request in writing to the AAAAI. The request should include the following:

- The name and contact information of one contact at the third party vendor in writing.
- A detailed list of the programs and tasks the third party vendor will assume.
The AAAAI is accredited by the Accreditation Council for Continuing Medical Education (ACCME) and abides by ACCME’s Standards for Commercial Support in the development of educational activities. Organizations that support an educational session cannot be involved in the development or execution of the presentations. This includes selecting the content, faculty and format of the session. In addition, the AAAAI retains control of all capture and production of AAAAI Annual Meeting educational content for enduring materials, and reserves the sole right to serve as the accredited CME provider for all CME enduring materials associated with the Annual Meeting. Support for educational sessions will be used to help cover costs, such as speaker honorarium/travel expenses, audio/visual equipment rental and catering.

To reserve exhibit space, complete the application and contract for exhibit space and return it and the required deposit to the AAAAI executive office. Applications may also be completed on our website. Applications must be received by September 30 in order to be considered for priority assignment of exhibit space. Exhibit space is assigned based on past and current support of AAAAI activities, as well as the date the application is received. Following initial space assignments, all additional booths will be assigned on a first-come, first-served basis.

APPLICATION REVIEW
The AAAAI will review all exhibit applications to determine whether they satisfy basic criteria such as: whether the product/services described specifically relate to the practice or advancement of allergy, asthma or immunology; whether the exhibit is of informational value to allergist/immunologists; whether the product/services, in the opinion of the AAAAI, are safe and effective. Even when an application meets the basic criteria above, the AAAAI reserves the right to deny any request to exhibit.

EDUCATIONAL/NON-PROFIT ORGANIZATIONS
Organizations may apply for complimentary exhibit space, if they meet the following criteria: they are a non-profit organization as defined by maintaining 501(c) tax status; are national in scope; their overall mission is educational in nature; and their mission would appeal to the AAAAI membership and further the AAAAI strategic goals. Applications for complimentary space must include a copy of the IRS letter of determination verifying their 501(c) tax status, and may include any documentation that demonstrates compliance with the criteria listed above. Even when an application meets the basic criteria above, the AAAAI reserves the right to deny any request for complimentary exhibit space.

PRODUCT/SERVICE DESCRIPTIONS
Product or service descriptions are a required part of the application process. This description will appear under the company name, city and state in the final program exhibit directory and the onsite exhibit directory. All descriptions should be in sentence form, typed and no longer than 50 words. Descriptions longer than 50 words will be edited for length. Descriptions for the Final Program will be accepted until December 16.

- Corner booths ............... $38/sq ft
- Island booths ............... $42/sq ft
- Larger Island booths (30’ x 30’ or larger) ............... $45/sq ft

DEPOSIT
A minimum deposit of 50% of the booth rental fee is due with the completed application. A deposit must be received in order for priority space assignment. Applications received after September 30 require full payment of the booth rental fee. Space assignment will not be made without the appropriate deposit.

BALANCE DUE
Exhibitors will be invoiced for the balance due after a booth assignment has been made. Full payment is due by December 16. If full payment is not received by this date, space may be released back into the general inventory.

CANCELLATION/DOWNSIZING POLICY
Cancellations or requests to downsize booth space must be sent to the AAAAI executive office in writing. A refund less $1,000 per 100 sq ft, will be given if notice is received by January 11, 2012. No refunds will be given after January 11. The AAAAI can sell cancelled or downsized booth space to another exhibitor without any rebate. The AAAAI retains the right to relocate an exhibitor after downsizing.

BOOTH RELOCATION
If it becomes necessary to relocate an exhibitor after a booth assignment has been made, the AAAAI will contact the company involved and every effort will be made to reassign the exhibitor to a similar booth space.

RESTRICTION OF EXHIBITS
The AAAAI reserves the right to restrict or prohibit exhibits that are deemed unacceptable for any reason. This may include people, items, conduct, printed materials, or anything that may be objectionable to the exhibition.
